## Education

---

**MIPT (Moscow Institute of Physics and Technology)**

*Moscow, Russia*

Department of Radio

*Sep. 2020 - PRESENT*

Engineering and Computer

Science (DREC)

Bachelor of Science in Applied

Mathematics and Physics

## Skills

---

**Programming** Python, C/C++, SQL, LaTeX

**General** Calculus, Linear Algebra, Probability Theory, Software Engineering, Computer Science

**Languages** Russian native, English B2 (upper intermediate)

## Completed additional courses

- Industrial programming course - during bachelors first-year in MIPT.  
Lecturer - I. Dedinsky.
- Computer Vision in Robotics - during bachelors first-year in MIPT.
- Intel ILAB C++ course - during bachelors second-year in MIPT.  
Lecturer - K. Vladimirov.
- DREC microcontrollers course - during bachelors first-year in MIPT.
- Deep Learning School course - during bachelors second-year in MIPT.

## Coursera, my profile

2020 **MIPT**, Basic Probability Theory

2020 **MIPT**, Basics of Combinatorics

2020 **HSE**, Introduction to LaTeX

## Stepik, my profile

2021 **Yandex & HSE**, Introduction to C++  
Programming

2021 **Bioinformatics Institute**, Base of Statistics
